# USING THE GROUP MEETING WEBSITE:

## VIEWING THE SCHEDULE:

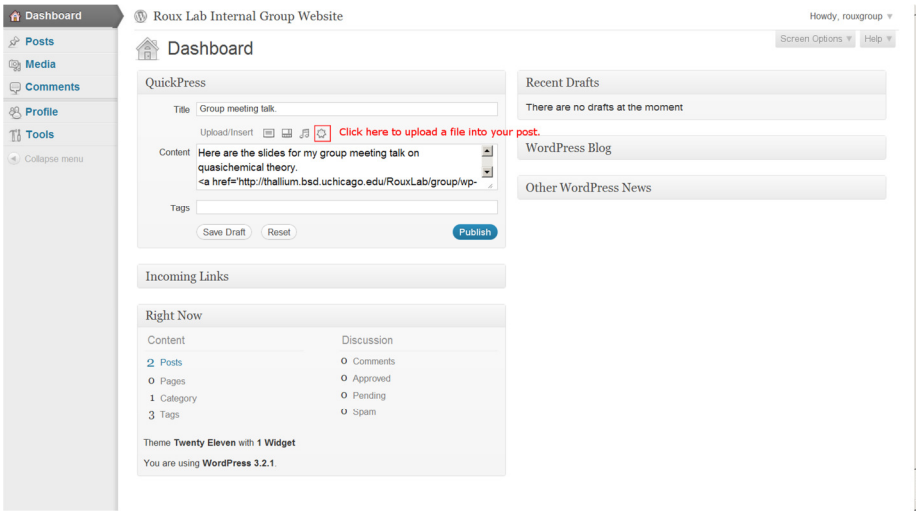
1. Enter the URL: http://thallium.bsd.uchicago.edu/RouxLab/group/
2. You will be prompted by a webserver authentication window. Enter the username (rouxgroup) and password.
3. The group meeting schedule is on the left hand side of the page

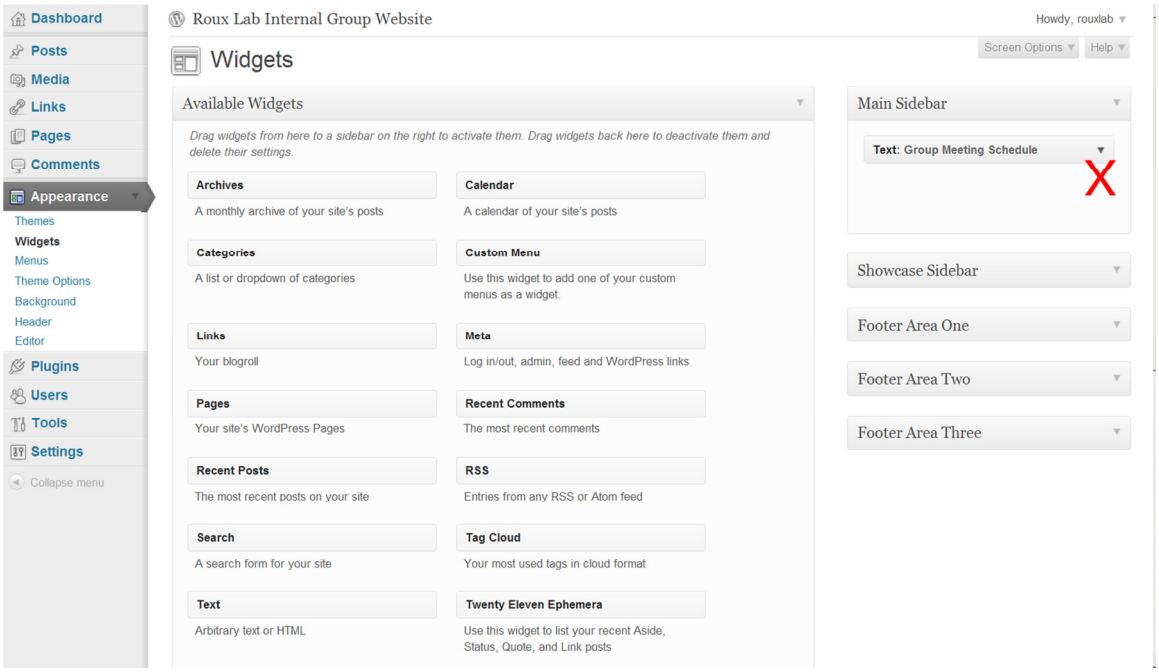
## MAKING A POST:

To post a group meeting talk to the blog, direct your web browser to:
http://thallium.bsd.uchicago.edu/RouxLab/group/wp-login.php

You will be prompted by a webserver authentication window. Enter the username (rouxgroup) and password. This will take you to a log in screen. You can log in with the rouxgroup user name and password or you can click register to create your own account.

Once you are logged in you can use the QuickPress tab to post a talk to the website.



## CHANGING THE SCHEDULE:


Log in as the administrator (username: admin). Select Appearance from the side menu then select Widgets. Click on the pull down menu for Text under the Main Sidebar widget (indicated by red X). Edit the text and click Save, then Close.
